

Implementing Web Application

Create UI To Interact with Application

Team ID	PNT2022TMID25132
Project Name	Project - Plasma Donor Application

Registration Page:

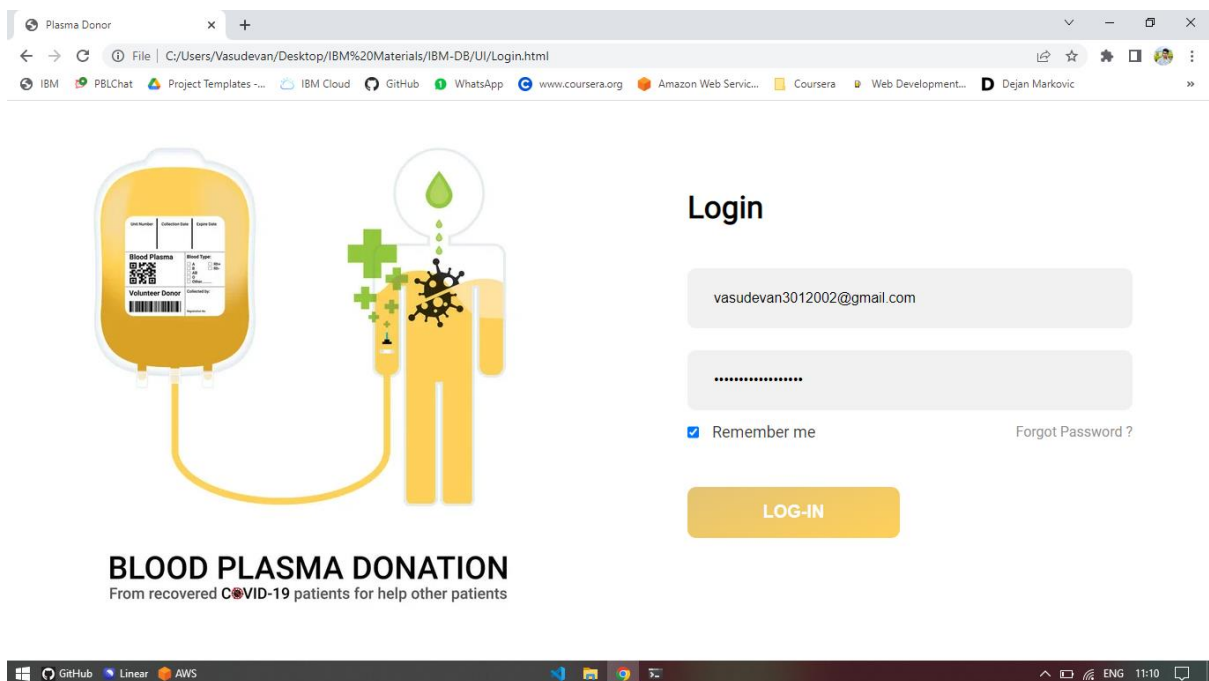

The screenshot shows a web browser window with the title 'Plasma Donor'. The address bar shows the file path 'C:/Users/Vasudevan/Desktop/IBM%20Materials/IBM-DB/UI/Registration.html'. The browser's taskbar at the bottom includes icons for GitHub, Linear, AWS, and system tray icons for network, volume, and time (11:20).

The registration page features a large illustration on the left showing a yellow blood plasma bag connected to a stylized human figure. The bag has a label with fields for 'Donor Number', 'Collection Date', 'Expiry Date', 'Blood Plasma', 'Blood Type', 'Volunteer Donor', and a QR code. The human figure has a green cross on its chest and a black virus-like icon on its arm, with a green drop icon above its head.

Below the illustration, the text reads: **BLOOD PLASMA DONATION**
From recovered COVID-19 patients for help other patients

On the right, the 'Register' section contains three input fields: a text field with 'Udhayakumar', an email field with 'udhayakumar24001@gmail.com', and a password field with masked characters. Below these fields is a yellow 'SIGN UP' button.

Login Page:

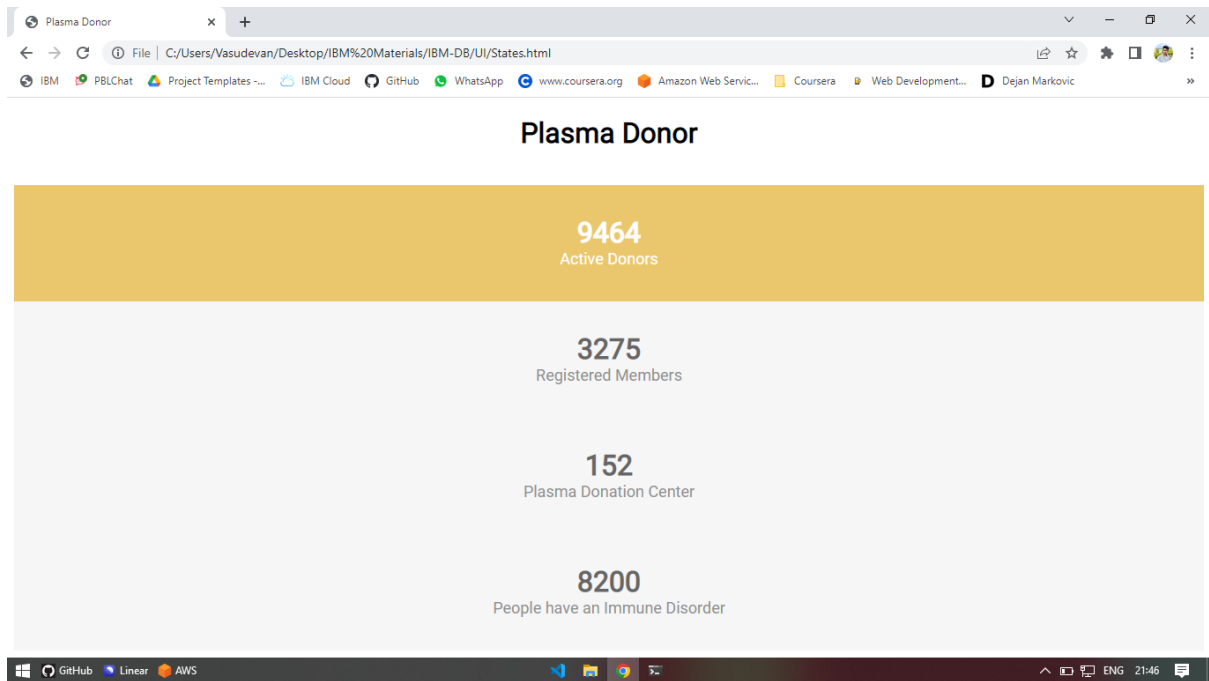

The screenshot shows a web browser window with the title 'Plasma Donor'. The address bar shows the file path 'C:/Users/Vasudevan/Desktop/IBM%20Materials/IBM-DB/UI/Login.html'. The browser's taskbar at the bottom includes icons for GitHub, Linear, AWS, and system tray icons for network, volume, and time (11:10).

The login page features the same large illustration on the left as the registration page, showing a yellow blood plasma bag connected to a stylized human figure with a green cross, a black virus-like icon, and a green drop icon above its head.

Below the illustration, the text reads: **BLOOD PLASMA DONATION**
From recovered COVID-19 patients for help other patients

On the right, the 'Login' section contains two input fields: an email field with 'vasudevan3012002@gmail.com' and a password field with masked characters. Below these fields are a 'Remember me' checkbox (checked) and a 'Forgot Password?' link. At the bottom is a yellow 'LOG-IN' button.

Stats Page to display the count:

Request Page:

The screenshot shows a web browser displaying the 'Plasma Donor' request page. On the left side, there is an illustration of a plasma donation machine and three test tubes, with the text **DONATE PLASMA** next to it. On the right side, there is a form titled 'Request' with the following input fields:

- Name
- E-mail Address
- Mobile Number
- City
- COVID Infection Status
- Blood Group

Below the form is a yellow button labeled **APPLY**. The browser's address bar shows the file path: C:/Users/Vasudevan/Desktop/IBM%20Materials/IBM-DB/UI/Request.html. The taskbar at the bottom shows various application icons and the system clock at 11:43.
